A100 September 2025 entry - Scoring

Fee status	Graduate/non-graduate	Minimum score to be guaranteed to be invited to interview* (out of 64)	Minimum score needed to be made an offer (out of 105)\$
Home	Graduate applicants	52	75
Home	Non-graduate applicants	53 for those with predicted A-levels	73

Fee status	Graduate/non-graduate	Minimum score to be guaranteed to be invited to interview* (out of 64)	Minimum score needed to be made an offer (out of 105)\$
Home	Non-graduate applicants	All applicants who met the entry requirements at first sit and were in the top 5 UCAT deciles Or 60 for those with achieved A-levels	76
Overseas	Graduate applicants	57.5	85
Overseas	Non-graduate applicants	58 for those with predicted A-Levels	84
		All applicants who met the entry requirements at first sit and were in the top 5 UCAT deciles Or 60 for those with achieved A-levels	84

Minimum Score to be placed on the Waiting List: Home: **70** and Overseas: **80** (applicants who were interviewed and intend to apply to Leicester again need to be within 5% of the relevant score to be eligible to reapply).

Please note: graduate applicants were ranked separately from non-graduate applicants for invitation to interview purposes because of differences in the scoring system. However, all applicants are ranked together when looking at interview scores.

* The score listed is the lowest score required to be guaranteed to be invited to interview. There were some applicants who scored lower than this invited to interview. Those applicants were in a borderline group who had their applications assessed in a tie-breaker situation. Please note: our scoring system can change every year, and as such, this score should in no way be deemed to be a minimum required every year to receive an invite to interview.

Applicants who applied with **achieved A-Levels grades** who met the entry requirements and had a UCAT score in the top five deciles (for Home fee status) and top five deciles (for International fee status) were invited to interview.

\$ The score listed is the lowest score required to be guaranteed an offer. There were some applicants in a borderline group (see below) who scored lower than this who were made an offer.

Contextual data is used to provide equal opportunity to applicants from all backgrounds on our A100 course in the following ways.

Applicants who successfully complete a Realising Opportunities Programme (ROP) or a UKWPMED programme were automatically invited to interview providing they met all our minimum requirements and had a UCAT score in the top seven deciles. If successful at interview, these candidates may be made an adjusted offer at A-level.

Applicants who were in a borderline group pre-interview were assessed using the following contextual data:

- a) UCAT bursary flag
- b) POLAR 4 quintile 1 or 2, or IMD 1-4
- c) Attended a non-selective state school for GCSEs which has an Attainment Score 8 below the national average for the 2018 cycle
- d) Or Refugee status
- e) Or more than three months in local authority care

as well as their whole UCAS application and UCAT result.

These contextual criteria are also used for those in a borderline group post-interview, along with any interview comments.

Offers will be given in order of interview score and assessment of all aspects of the application, including the personal statement and reference.
